

## PRESS RELEASE

### **WESTERN AIRCRAFT ADDS BOMBARDIER CHALLENGER 601/604 CAPABILITIES TO REPERTOIRE**

**Boise, Idaho, Oct. 10, 2011** – Western Aircraft, a Greenwich AeroGroup company, announced today that it has added Bombardier Challenger 601/604 as a new product line for maintenance services.

“We are extremely pleased to expand our maintenance services to support Challenger 601/604 operators in the Western United States,” said Greenwich AeroGroup’s Senior Vice President for Fixed Wing MROs Jeff Mihalic. “Western has an excellent reputation for quality maintenance services and we are a terrific option for operators seeking outstanding maintenance and customer service in the western states.”

Western Aircraft is a Factory Authorized Service Center for Dassault Falcon Jet, Hawker Beechcraft, King Air, Pilatus, and Piaggio. They offer a variety of services including major inspections, repairs and modifications, line service, Aircraft on Ground support, engine support, avionics upgrades and interior refurbishment and repair.

Mihalic says the facility has invested in tooling, technical data and experienced personnel in order to provide Bombardier Challenger 601/604 operators with a superior choice of service.

#### **Western Aircraft**

Western Aircraft is a full-service FBO, FAA certified aircraft repair station, and a factory authorized maintenance/modification facility for Dassault Falcon, Hawker Beechcraft, Honeywell, Rockwell Collins, Universal Avionics, Pilatus, Piaggio and many other major suppliers to the Corporate and General Aviation industry. Western Aircraft services include maintenance, avionics and interior refurbishments; aircraft sales, charter and management; parts distribution; and fixed base operations.
